BEFORE THE RACE

Race venue

The race is held on traffic-controlled streets in the center of Turku. The Race Center, Race Office and the Transition Area are located at Varvintori square in Taideakatemia (art academy). Swim start and finish are about 150m from the Race Center. The CHALLENGE TURKU finish line is located at the Varvintori square.

Registration

Registration and race packet pickup is from Varvintori Race Center on Friday and Saturday. **Please note** that registration is not possible on Sunday morning.

Operating hours are:

Friday 30th July 16-21

Saturday 31st July, 9-21

You must show a valid photo-ID to collect your registration packet.

The registration packet contains a race number, timing chip, sticker for your bike and helmet (to be placed in front) and a swim cap. You're also given three race bags: a black bag for street wear; a red bag for bike gear and a blue bag for run gear. When you receive your registration packet, make sure that it contains all the necessary items.

We recommend that you attach the race number to a race belt or use a rubber band and safety pins around your waist to carry your race number. You should wear the race number at your back while biking and rotate it to your front when running. The race number must not be folded or cut; it must be worn as it is. For your safety, please write the name and phone number of your contact person on the back of the race number. Contact person should not be racing at the same time as you.

We recommend that stickers for your bag are placed around the laces or in bags' plastic pockets.

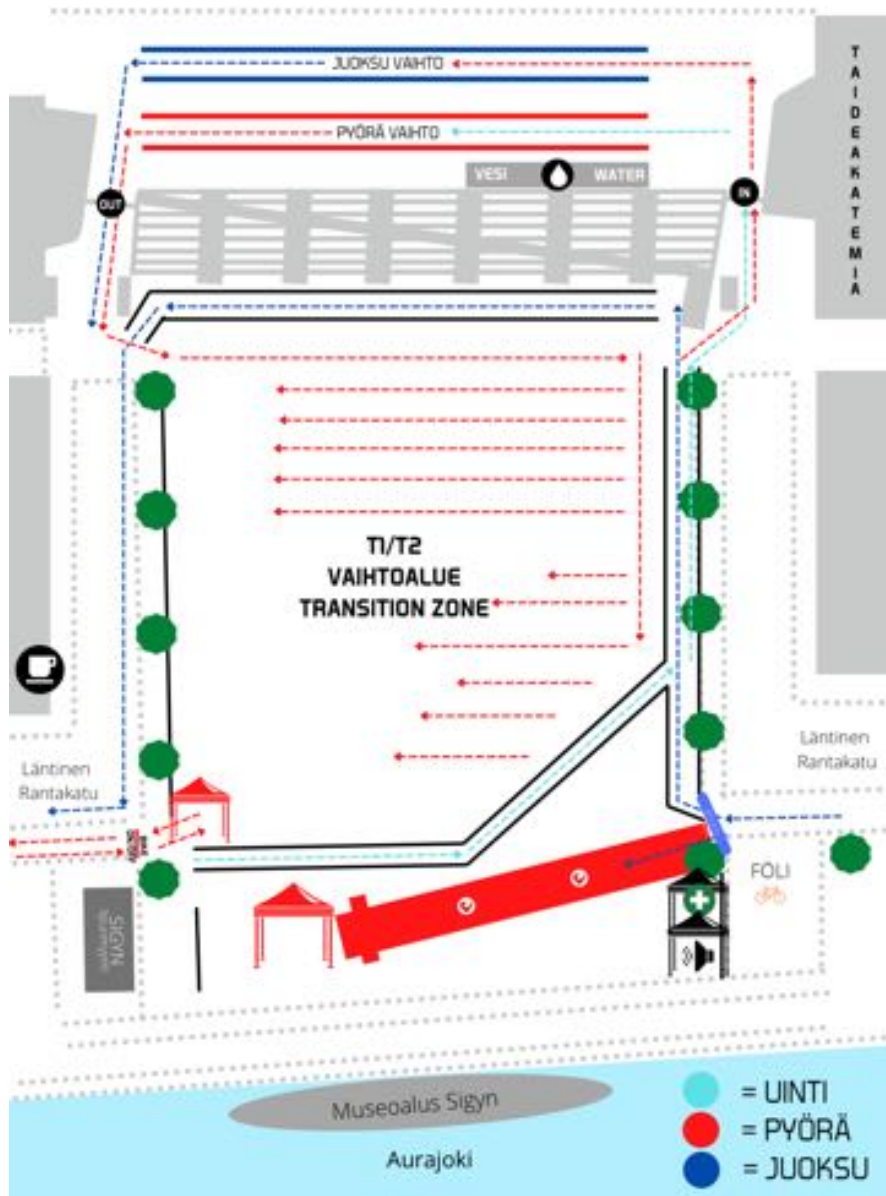

Race Briefing and Q&A

Challenge Turku will again this year have a virtual race briefing which means that there will be no mandatory race briefing in the race venue before the race. Instead, we have an optional live streamed Facebook live Q&A session on Friday 19:45. The virtual race briefing will be

published on the internet before the race and the link for athletes will be sent via email on Friday 30st July at the latest.

Transition Area (T1 and T2)

The Transition Area is located at the Varvintori Square. The Transition Area is the same for 'swim to bike' (T1) and 'bike to run' (T2) -transitions. There is a tent in the Transition Area to enable smooth clothing changes during transitions (divided into men's and women's sides).

Only athletes and volunteers are allowed into the Transition Area. When checking in to the Transition Area we will check your bike, and brakes, and that your helmet is an approved helmet (CE or other safety marking must be visible). Put your bike on the bike rack to the place the volunteers will assign you. All athletes are placed based on their race number. Bring only items for the race with you into the Transition Area, since there is only a small area per athlete. Keep your items within your given area.

The **BLUE** and **RED** clothing bags will be taken to the Transition Area after check-in closes on Sunday 1st August at 8:30 at the latest and placed according to start-number next to the changing tent. There will be volunteers to help you. **After 8:30 it will no longer be possible to deposit any biking or running clothes on race day (1st August).**

You can collect your race bags after the race when checking out your bike. Please remember to have your race number with you when entering the check-out.

Bike shoes can be attached to the pedals. Water bottles and gels should be attached to the bike. If you leave your helmet on your bike it should be on the handle-/aerobars. Other bike equipment should be attached to your saddle or other suitable compartments on the bike. The ground area around your bike must be completely clear of all items before leaving for the race. Put your helmet in the transition bag and don't leave it on your bike before the race or after the bike segment.

Please remember to attach the race number stickers on your bike and on your helmet before entering the bike check-in. When checking out your bike, you must show your race number. It must match the race number sticker on your bike. Without them you are not allowed to enter the Transition Area. Do not lose your race number! Remember to wear your helmet when you come to Bike check-in. Please notice that you are not allowed to check your bike in without your helmet.

All entrance and exit to the Transition Area will be at the "check-in" sign where volunteers guide you.

The area is guarded overnight.

Bike check-in times for the Half Distance are:

Saturday 31 July	18:00–21:00
Sunday 1 August	7:00–8:30

We recommend that you familiarize yourself with the Transition Area before the race in order to make sure that you recognize where to enter and exit the Transition Area at the T1 and T2.

RACE COURSES

SWIM

You must be at the swim start area at least 15 minutes prior to your start. Warm up in the water is allowed only in the specific area since there are ships still operating in the river before the start. Warming up in the water is possible between 8:20 and 8:35.

The swim start is a rolling start with the exception of the Open and U23 category. It means that the athletes will line up on the lawn according to their realistic predicted swim time (self-seeding) and the athletes will be released to start in one line from the pier. It will take approximately 12 minutes to get the entire field across the swim start line.

Place yourself in the start waiting area as best as possible according to your predicted time. If you plan to swim under 30 minutes, then place yourself near the front. If you will swim over 40 minutes, then place yourself near the back. Any swim style is allowed.

If this is your first triathlon or if you are not a strong swimmer, we strongly recommend that you start in the back of your starting group. This way you can find some space and find your own rhythm, which will help you to enjoy the race even more without the hassle that normally will occur at the start.

If you find yourself in trouble during the swim, call for help by waving your hand high. There are kayaks, sup boards and boats in the water during the swim to secure the safety of the swimmers. You can hold on to a kayak, sup board or a boat to rest for a short while, if the boat/kayak is not moving. Please note that your race is finished if you enter the boat.

The rules regarding wetsuits are according to the regulations of the International Triathlon Union. Wetsuits are not allowed if the water temperature is over 24.6 degrees Celsius. The temperature is measured one hour prior to start and is announced at a notice board at the help desk and at the swim start. All athletes must wear the swim cap provided by the race. Race number can be left under the wetsuit or be dressed in T1.

The swim consists of one (1) loop with marking buoys always on your right side. The swim course is shown in the map below, and is also shown on notice boards at the Race Center.

BIKE

Helmet must always be worn when the bike is moving during the race. The chinstrap of your helmet must be securely fastened before you remove your bike from the bike rack and remain fastened until you have finished the bike course and put your bike back at the rack. It is not permitted to ride your bike in the Transition Area. You can start biking only after crossing the 'start biking' line marked right after the Transition Area. There will be volunteers guiding you at the transition and at the 'start biking' line.

There will be no traffic along the course. However, please remember that it is always possible that cars, other vehicles, and pedestrians may enter the cycling course, as the race is located in the city. PLEASE STAY FOCUSED ON YOUR ENVIRONMENT!

It is every participant's responsibility to know the course. When biking, keep to the right and be aware of participants around you. There will be referees on motorbikes along the bike course to make sure athletes follow the rules.

The bike course begins with an 8km transfer to the main bike loop (inside lines of E18 motorway). The main loop is ridden three times. The furthest turning point hosts a portable toilet and service station. The turning points are marked clearly 100m and 50m before the turning point. After loops the course takes the same route back to the Transition Area.

All riders will share the inner lanes of the E18 highway to both directions on the main loop. Bike course is separated with cones from the right lane which is allowed for cars and other vehicles. On the E18 highway cars and other vehicles are allowed to drive with reduced speed along with the bike course. Accordingly, riding outside of the marked bike course is not allowed!

If you have a puncture or other malfunction with your bike, please observe the traffic around you and find a safe place to fix the bike. In case you need to stop on the E18 highway, please move to the left (if possible) to the “green area” between the highway lanes.

In case the malfunction will prevent you from continuing the race, please contact the volunteers close to you or in case you will be on the E18 highway, inform the referee bikes about the situation and wait for further help. In case you are close to the turning points in the highway, please move to the turning point closest to you. Please observe the other bikes and traffic!

The bike course finishes upon returning to Linnankatu street. Dismount from the bike before the dismount line and run/walk your bike back to the original position on the bike rack where your number is and hang it back up on the rack. You can remove your helmet once your bike is properly racked. Running straight under bike racks in the transition area is forbidden and it leads to a penalty. There will be volunteers at the dismount line to guide you.

At the far end of the cycling loop you will find a service station where you can also throw your used bottles and trash. Disposing of trash outside of the service areas is grounds for immediate disqualification and removal from the course.

12 Meter Rule

Drafting is forbidden in all classes.

Riders must keep a 12-meter distance between bikes except when passing. Overtaking riders may pass on the left for up to 25 seconds. An overtaken rider must fall back 12 meters immediately. When passing other riders, make sure no one is trying to pass you at the same time. Riding side by side is not permitted. The draft zone behind a vehicle is 35 meters and applies to any vehicle that may appear on the bike segment; let it be a referee motorbike or some other type of vehicle. Penalty is 5 min in the penalty box, or disqualification.

Penalties

- **Warning (yellow card)**
- **5 min penalty (2 x yellow card)**
- **5 min penalty (blue card)**
- **Disqualification (red card)**

Penalty Box

If an athlete receives a 2 x yellow card or a blue card from a referee during the bike section, the athlete must stop in the penalty box. Penalty box is located at the Transition Area. After receiving a red card an athlete is disqualified from the race.

It is the athlete's responsibility to report to the volunteers at the penalty box and tell their race number before serving their penalty. The race official will mark the race number to show the penalty was served and it will also be recorded in the officials' log. If the athlete does not serve a penalty, they will be disqualified from the race. The race officials are there to provide a fair and safe race for all athletes so please respect their position and orders.

RUN

The race segment begins immediately after leaving the Transition Area next to the Suomen Joutsen sailship. The finish is located at the Varvintori square. After leaving the race venue the run course continues toward downtown Turku along Linnankatu and returns to the banks of the river Aura. The 4 laps of the course will travel along both sides of the river and offer a great atmosphere for both athletes and spectators.

The run course is marked with cones and fences and volunteers will be guiding you. As the course takes you to the city center, please be aware that pedestrians and cyclists may enter the course even if we have secured it.

There will be a lot of runners out on the run course at the same time. Keep to your right. On the course are three service points:

Sigyn service point: water, SIS-energy drink, SIS-gel, banana and salt.

Teatteri service point: water, SIS-energy drink. In addition: WC and loofahs.

Läntinen Rantakatu Service point: Red bull and water

RELAY

Relay teams will use only one race number. The cyclist will already have the number on while waiting for their swimmer to finish. Upon returning from the bike, the number will be given to the runner to use on the run segment.

Relay competition transitions will work as follows:

- Transition (T1): There is a marked area where the swimmer can give the timing chip to the cyclist.
- Transition (T2): There is a marked area where the cyclist gives the timing chip and race number to the runner.

Lost and found

Lost and found items will be brought to the Race Office and will remain there until the closing of the event Sunday evening. After that, all items are kept by SBR Finland Oy for 3 months, you can make inquiries at: info@sbrfinland.com.

Maximum race time and cut-off times

Swim 1 hour / 10:10 at the latest
Bike 5 hours / 14:05 at the latest
Finish 8 hours / 17:00

Medical care

First aid station is located at the Varvintori square. Moreover, medical staff and first aid are available at the bike segment aid station.

Musical devices

Musical and communication devices such as iPods, mobile phones are prohibited during the race.

Pacing the athletes

It is strictly prohibited to accompany/pace participants on the bike or run course, and it will lead to the immediate disqualification of the respective participant without any warning.

Parking

There are only limited parking options close to the race venue. Accordingly, we recommend that you leave the car at home/at the hotel. Harppuuna parking area (address: Vallihaudankatu 1) is located 800m from the transition area and it offers a cheap parking time for approximately 300 cars.

On Sunday during the bicycle check-in from 06:30–8:00, cars can be temporarily parked at the Forum Marinum parking area. Parking on Linnankatu is strictly forbidden.

Photo service

You will find your photos and video from the event website and social media as soon as possible after the completion of the event.

Protests and race jury

An athlete can protest an officials' decision or against another athlete's behavior. Protests must be given to the Race Office in writing within 30 minutes of completing the race. The jury delegate will handle the protests and may call the race jury for a meeting. Members of the race jury will be announced on the notice boards at the Race Center on the race day.

Restrooms

Portable restrooms are found at several places within the race venue area.

Results

The results will be up on the notice boards on the Race Center at the end of the race, and online on www.challengeturku.com.

Spectators

Please see a separate Spectator's Guide. **PLEASE NOTE that the spectators are strictly forbidden to enter the E18 highway during the bike segment!**

Timing chip

The registration packet contains a timing chip with a Velcro band for timing during the race. The timing chip must be placed on your left ankle during the entire race. No chip = no time. Check carefully that the chip is still on your ankle after removing your wetsuit. Do not walk on the timing mats before the start of the race! After you finish the race there will be volunteers taking care of your timing chip. If you do not return your chip to the volunteers at the finish, we will charge you the cost of the timing chip of EUR 50.

Withdrawal from the race

If the athlete decides to withdraw from the race at any time, it is the responsibility of the athlete to report about the withdrawal to a volunteer and return the timing chip.

PLEASE NOTE! All participants are racing at their own risk. All athletes are responsible for knowing the race course and the race rules!

Corona-info

Our main principle is that it is safe for everyone to participate in the event. Therefore, we had to do some practical modifications due to the coronavirus situation. This year, we minimize contacts which are not crucial for a successful race. That means that there are no showers available in the race venue. Also, in aid stations drink is not served to you but you have to take it from the table by yourself. In addition:

If you feel sick in any way, do not hesitate to cancel your participation.

Avoid crowds and keep a safe distance whenever possible.

Use a face mask especially indoors, for example in the race office

Welcome and good luck on the race day!
